

PFMA Low Income Food Access Program
Farmer Agreement Form

I, _____ of _____ Farm, have read through and understand the PFMA Low Income Food Access Program and Reimbursement Information for tokens and vouchers, including the SNAP Token and MHB Token Guidelines.

I understand the restrictions on accepting GREEN SNAP tokens and ORANGE Maine Harvest Bucks tokens. I will not accept GREEN SNAP Tokens for non-food items. I will not accept ORANGE MHB Tokens for any items other than fruits, food-bearing plants, and vegetables. I will not give cash change back for either SNAP or MHB Tokens. I understand that our and other Maine farmers' markets' ability to accept SNAP and SNAP incentive benefits depends on my compliance with these restrictions.

I understand that it is my (farm owner's) responsibility to inform any persons or employees that work at my market booth, of the workings and restrictions of this program.
