Carolyn then gave an update on the situation of the City and the Brown Tail Moths.

The trees will definitely be treated this year (barring any change in Moth situation). The treatment is quick...but, dead caterpillars will be falling in June, and the City will be allowing only minimal access to the park during this time.

The PFM will be moved to Payson Park on May 19th...the last day in Payson Park is June 30th...we will then move back to Deering Oaks.

Motion made by Cindy to adjourn meeting; seconded by Hanne. Meeting adjourned at 7:20 pm.
